Decisive for the eligibility of delivery for approved locations is exclusively the information given in the QS database. This is because deviations due to the contract date, blocking of companies or something similar could appear.  
This certificate is property of the certification body and must be returned on request. The audit is based on the valid version of the scheme manual by the time of the audit.

This document is issued by the Company under the General Conditions of business available on the website. Attention is drawn to the limitation of liability, identification and jurisdiction issues set out therein.

Any holder of this document is advised to inform the authorized person referred to in the General Conditions of the use of the document only and within the limits of Client's instructions, if any. The Company's responsibility for the content of this document does not exonerate parties to a transaction from exercising all their rights and obligations in the transaction documents. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law.
